Summary Description

As you explore Beatox's groovy palette in this 9-track album *A Musical Mind: Take One*, you are guided along a journey of the voice, exploring the depths of soulful introspection and reflection, it's whimsical yet wholesome and endearing. This record will change the way you view beatboxing and see the beauty with how vocal percussion can integrate into rhythm and poetry.

From the touching mother/son duet in tracks 3 and 5, Beatox forces us to confront hardships that we all must face at some point in our lives. As we evolve through the record we are reminded that with family and friends, "Everything Will Be Okay"

This is Beatox.
It's real.
It's raw.
It's heartfelt and soulful.
